The screenshot shows the homepage of Little Tree Software. The header features a green sidebar with the logo 'little tree software'. The main header area has a dark blue background with white text: 'We design and build beautiful, functional websites' and a navigation menu with links to 'HOMEPAGE', 'ABOUT', 'WORK', 'BLOG', and 'CONTACT'. The main content area has a white background. It includes a welcome message 'Good afternoon, welcome to Little Tree Software', a section about their services, and two columns for 'LATEST WORK' and 'LATEST ARTICLE'. At the bottom, there are social media icons for RSS, LinkedIn, Facebook, and Twitter, along with a copyright notice and footer links.

The image contains three side-by-side screenshots of websites:

- Left Site:** A green-themed website for "littletree software". It features a green header with a leaf logo and the text "Good after". Below this is a white sidebar with text about their services and social media links.
- Middle Site:** A dark-themed website for "Josh Clark Portfolio". It has a dark header with the text "We design and build beautiful, functional websites". Below the header is a navigation bar with "Home | Résumé | Portfolio | Words | Contact". The main content area displays a grid of thumbnail images representing various portfolio projects.
- Right Site:** A dark-themed website for "Express of Molk". It features a dark header with the text "We design and build beautiful, functional websites". Below the header is a navigation bar with "Home | Résumé | Portfolio | Words | Contact". The main content area displays a grid of thumbnail images representing various portfolio projects.

The screenshot shows a web page from CreativePro.com. At the top, there's a banner for "AUTO BLENDING in Adobe Photoshop CS4 Extended". Below the banner, the main navigation menu includes Home, Business, Fonts, Graphics, Hardware, Photography, Print, and Web/Mobile. A search bar and a login/register link are also present.

The main content area features a news article titled "P22 Fonts 50% Off for One Day Only". The article discusses a discount starting at 12 a.m. on August 3, 2009, for typefaces from P22, IHOF, Rimmer, Sherwood, Lanston, and TypeSETit. It mentions that the discount is 50% off and valid for 24 hours. The article is written on August 3, 2009, and has a rating of 5 stars based on 1 vote. Categories listed include Fonts, Type Design, Typography, and News.

A large white arrow points from the text "background-repeat: repeat-x" in the center of the article area towards the right side of the page, where several advertisements are displayed. These ads include one for "ADobe PHOTOSHOP CS4 EXTENDED" and another for "The Art Institute of Pittsburgh Online Division".
